CANVAS					
Activity tent 1	1		Green canvas. For use to eat in or activities.		
Activity tent 2	1		Brown canvas. For use to eat in or activities.		
Mess Tent			White canvas.		
Fire Shelters	6	n/a	Covers the altar fire and cooking area. Not big enough to comfortably sit under - but keeps the beans dry! Ours do not come down to the ground at either end as in this photo but stay at above head height.		
Stormhaven	5	6/7	“Proper” old fashioned green canvas tent! Standing headroom. Great for longer events. Easy to build a camp program around traditional camping skills. Useful for advanced camper badge.

*If the manufacturer says “sleeps 4” you can safely say it will fit 5 children - so here it would be listed as 4/5. The issue can be kit bags, especially if they bring suitcases, soft holdalls are much easier.
